

Report Editor Pro

New software to make a report of StructureScan Mini series (XT/LT)

It is compatible with widows10

KEYTEC
GSSI www.key-t.co.jp

Easy to use and can save time to produce a report of collected data of StructureScan Mini series

► Navigation curve

An automatic hyperbola template to change its size by depth

► Output of Excel sheet and screen image

► Easy gain adjustment

► Improved UI

► Fast data process (No hung-up)

To cope with versatile feature of StructureScan Mini XT such as Palm XT and Line Trac XT.

New Report Editor Pro have incorporated many request by customers of previous version of report generation software.

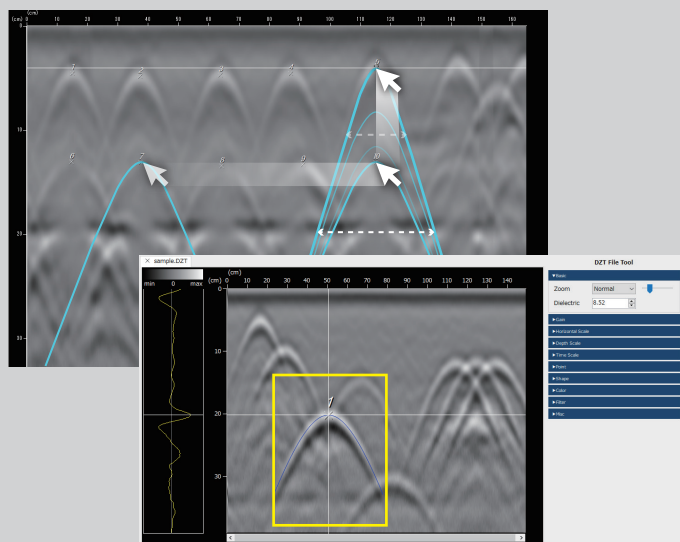

New function

► Navigation curve

Navigation curve (An automatic hyperbola template) can help you to locate a bottom rebar which is unclear on screen.

According to the dielectric and depth, the shape of hyperbola template (navigation curve) will vary to assist you to read obscure, difficult image of rebar in lower layer.

► Sort points

The marking points will be aligned by group instantly by number. Easy to changed and add point number

► Texts with extension lines and Dimension line

Texts with extension lines and dimension lines are added.

New option feature

The thickness of asphalt pavement and tunnel lining

Just clicking a point of the asphalt pavement or tunnel lining, the thickness will be automatically marked and calculated.

Output data of Excel

- Screen picture
- Rebar Point data (Distance, depth and spacing)
- Asphalt pavement and tunnel lining Data (Thickness of Minimum / Maximum/ Average)

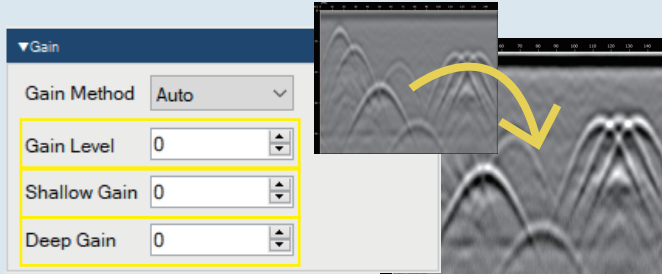

| Point No. | Distance (cm) | Depth (cm) | Thickness (cm) |
|-----------|---------------|------------|----------------|
| 1 | 10.75 | 19.5 | 8.45 |
| 2 | 10.75 | 19.5 | 8.45 |
| 3 | 10.75 | 19.5 | 8.45 |
| 4 | 10.75 | 19.5 | 8.45 |
| 5 | 10.75 | 19.5 | 8.45 |
| 6 | 10.75 | 19.5 | 8.45 |
| 7 | 10.75 | 19.5 | 8.45 |
| 8 | 10.75 | 19.5 | 8.45 |
| 9 | 10.75 | 19.5 | 8.45 |
| 10 | 10.75 | 19.5 | 8.45 |
| 11 | 10.75 | 19.5 | 8.45 |
| 12 | 10.75 | 19.5 | 8.45 |
| 13 | 10.75 | 19.5 | 8.45 |
| 14 | 10.75 | 19.5 | 8.45 |
| 15 | 10.75 | 19.5 | 8.45 |

New software to make a report of StructureScan Mini series (XT/LT)
